Dear Parents,

First, let me thank you for your support and understanding as we, as a nation and community, responded to the unexpected invasion of COVID-19 in March 2020. I am very proud of the way our AHS students, parents, employees, and community leaders handled the demands we were faced with to protect everyone as we continued to educate and feed our students during the most unusual of circumstances. As you know, there continues to be concerns and questions related to how schools plan to reopen in February 2021. While we are in education field, our first priority is the safety of our students and our employees. Be assured, we have been working diligently. Our desire is to return to school as normal (traditional) with enhanced safety and cleaning procedures. However, we must be proactive and be prepared during these ever-changing times to continue educating our students if and when circumstances change, as predicted, throughout the year related to the health and safety of our students and employees.

Thank you for your continued support and positivity as we strive to do what is best for ALL of our students and employees during these challenging times.
