SYLLABUS FOR CLASS 3RD SESSION:2023-24

NAME_____ CLASS_____ ROLL NO._____

AIMS OF SYLLABUS

Early childhood learning is the most important aspect of life because almost 90% of the child's brain is developed by the age of 5 years and thus the need to make the most of the early years to shape the future of a child. Responsible parenting and a good pre-school curriculum can make all the difference. The primary level education is very important and plays a major role in a child's life, laying the foundation and shaping the entire life.

In order to condition the teachers to plan their lesson well in time and to bring order line and regularity in work curriculum for the year 2023 – 24 is prepared. It is also a guideline for parents to co-operate with the teachers. They can help their wards / children at home in making understand their lesson being taught in school by following the same techniques and methodology as the teachers are adopting. Parents can also bring their children parallel to the class in case they are lagging behind anywhere.

CONVICTION OF THE SCHOOL

“Life is struggle, a relentless and unending struggle especially for those of us who strive for causes which are worthily because on them depends the well being of human society”.

The aim of our institute is to educate the young learners of rural areas at par with those of developed and well facilitated urban people for a better and responsible future citizenship.

For this purpose. I extend my sincere wishes to the staff , students and management of the institute for its endeavor to achieve the goal.
